

Access to Internet and Technology Survey

Based on the CDC, WHO, state, and university guidelines/restrictions related to the COVID-19 outbreak, all testing sessions must occur virtually until further notice. To help us with planning for this transition, please complete the following survey at your earliest convenience:

1. My child(ren)'s name(s):
2. My child(ren)'s current grade(s):
3. Do you have access to reliable internet?
 - a. Yes, our internet has been stable for at least the past couple months
 - b. Yes, most of the time
 - c. Yes, our internet has been stable for the past few weeks (but it has been spotty before COVID-19)
 - d. Sometimes
 - e. Our internet is not reliable/we don't have regular access to the internet
4. What kind of device would your child(ren) most likely use to complete the assessments?
 - a. iPad/tablet
 - b. Chromebook
 - c. Computer with a touchscreen
 - d. Computer with a mouse
 - e. Computer with a touchpad
 - f. We don't have access to a computer/tablet/internet
5. If you chose Chromebook as your device of choice, do you have another device option (other than a phone)?
 - a. Yes
 - b. Yes, but other family members regularly use that device
 - c. No
 - d. I did not choose Chromebook as my device of choice
6. What questions/comments/concerns do you have?
