

Supplemental Material S3. Examples of macrolinguistic recount coding.

Orientation/setting – includes the character [OC], location [OL], time [OT] and other [OO]	Initiating event [IE] –	Events [E] – Series of events. Multiple events were coded sequentially (e.g. E1, E2)	Evaluative comments [EC]	Conclusion [Conc]
<p>Participant 22, Line 28 (12 months) my [/] my love of motorcycles <when I was> [/] when I was &-uh (.) growing up &-um on my auntie's farm in Galston (example of [OL], also coded as [E1])</p> <p>Participant 26, Line 42 (12 months) &-um I guess &-uh one of the funny ones , when I was about (.) seven years old &-um I had a hernia ([OT], example of E1 as well)</p> <p>Participant 31, Line 43 (12 months) oh ‡ (..) &-uh (.) &-uh well ‡ I think the most recent thing that happened is the change of the law [OO]</p> <p>Participant 30, Line 30 (12 months) my fiancée and I went over to Singapore to watch Formula_one [OC] [OL]</p>	<p>Participant 21, Line 40 (12 months) <we had> [/] we had a [/] &-um a relationship back in the seventies.(also coded as [OT] as well)</p> <p>Participant 22, Line 38 (12 months) and [/] &-uh but unfortunately &-um it hasn't ended well with motorcycling .</p> <p>Participant 43, Line 6 (24 months) well ‡ recently &-um I [/] back in November last year I got all medically cleared and was allowed to drive again .</p>	<p>Participant 13, Line 34 (12 months) well ‡ I would say one of the sad one just my &-um grandfather passed away not long ago. (Example coding of E1)</p> <p>Participant 22, Line (12 months) one of the things that got me (.) started in motorcycles or began sort_of my [/] my love of motorcycles <when I was> [/] when I was &-uh (.) growing up &-um on my auntie's farm in Galston [E1].....it's [/] you_know I [/] I totally blame this other person for this accident [E2] (example coding of multiple events)</p>	<p>Participant 22, Line 92 (6 months) and <I don't> [/] I can't think of anything else that has happened to me as an adult that has changed my perspective as thoroughly and as deeply as that did .</p> <p>Participant 3, Line 30 (12 months) &-um (.) went [/] &-um it was nice and relaxing by pools and beaches and eating out constantly .</p> <p>Participant 52, Lines 250-254 (24 months) PAR: but there's a_lot of things behind the [/] the scenes that you don't realize until they're actually gone. PAR: &-um you really think you know them. PAR: but you don't .</p>	<p>Participant 22, Line 84 (6 months) but for me what that experience did was it made me realize just how tenuous existence is and how unimportant I can be</p> <p>Participant 13, Line 45-46 well ‡ the funeral was pretty sad but you_know that's part of life (also coded as [EC] as well)</p> <p>Participant 22, Line 42 (12 months) but I hope my leg will eventually be strong enough where I'll be able to bend my knee to the point where I can you_know ride a bike again .</p>
