

Rapid Naming Assessment Forms

Form A

Based on Catts (1993)

Show child example page. Say: What [objects/animals] do you see on this page?

You will be saying the names of some [objects/animals] as fast as you can. When I say go, start here and name this row before you go on to the next row. Name the [objects/animals] in each row as fast as you can until you get to the end. Try not to skip any [objects/animals]. Go.
